

DEDICATION

IN MEMORY OF:

MISS NORMA JEAN KERPER

November 4, 1965

In the spring of 1956, it became necessary because of increased enrollment to employ another teacher in the Business Education Department. I was looking for someone who was well-groomed, well-prepared, could teach others, who wanted to teach others, who understood High School students and who would be understood by them.

Among the applicants asking for consideration was Miss Norma Jean Kerper—a graduate of the SUNY at Albany and who had three years of teaching experience in Adams, New York. Her application indicated membership in several professional organizations—it indicated that in addition to her teaching duties in Adams, she had directed several High School plays and supervised other High School activities.

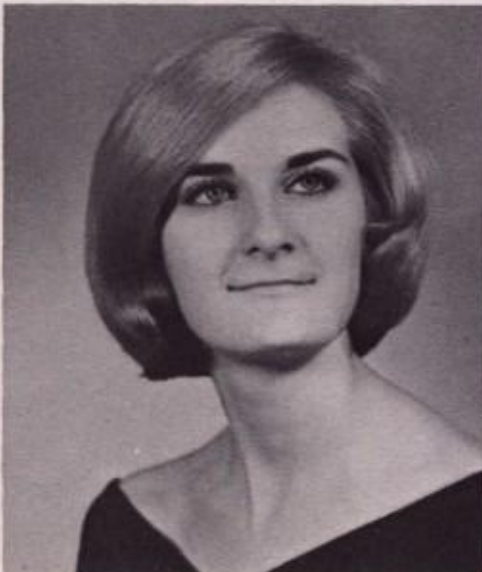

Her letter of application concluded, "If you are interested in a young woman who loves and enjoys teaching, contact me. . . ." A previous employer said, "An excellent teacher, willing to do more than expected, dresses neatly, handles subject matter and students well, a grand person and teacher. I hate to see her leave."

I invited her to join our staff and she agreed. In the intervening years, she proved herself. We are all better for having known her, to have been taught by her. We remember her for her smile, her cheery "good morning", her enthusiasm and industriousness whether in the classroom or on the ski trail, her unselfishness and cooperative attitude in those things which make the teaching profession one of dignity, responsibility and service.

"These are some of the reasons for which we shall remember you, Miss Kerper. We salute you and we hate to have you leave."

This tribute was presented by Mr. Kenneth A. Myers, Superintendent of Schools, at a Memorial Service for Miss Norma Jean Kerper, held in Johnson City High School, November 4, 1965.

THE YEAR IS 1966
AND HERE ARE A FEW
OF MY FAVORITE THINGS...

MY FAVORITE YEAR

In our year occurred many things, some happy,
some sad;

Our world was in chaos and spinning like mad.
Country met country in head-on collision,
As the U.S. helped Viet Nam evade Cong derision.
Young men balked and questioned our intentions,
As draft cards flamed there were jail detentions.
While Sukarno reached the end of his rope,
The Army beckoned, Cassius Clay said "Nope."
Luci Baines Johnson planned marital bliss,
While France still insisted on shaking her fist.
Tornadoes and blizzards crippled East and West,
But skirts kept on climbing from better to best.
Lindsay's the champ in his mayoralty race,
Just in time to solve the transit strike case.
The power failed and the East coast found out
What the working of electricity is all about.
The space race continued with no signs of stopping,
But Scott and Armstrong just didn't like docking.
Medicare made it and now is among us,
And taxpayers think it was worth all the fuss.
Russia and China widened the breaches,
Hurling insults and slurs in many vile speeches.
Drysedale's and Koufax's holdout was to no avail,
Now we are sure the Dodgers won't fail.
Our President Johnson had a narrow escape,
Now his gall bladder's out and he's in great shape.
Stevenson and Shastri went to their rewards,
Leaving the world with two painful voids.
The Air Force was plagued by U.F.O.'s,
Are those flashing lights real or do we suppose?
The style was long as far as hair goes,
With distinction in doubt without ribbons or bows.
But all is not lost and we should never give in,
For, after all, we have Batman and Robin.

TRIBUTE TO WILLIAM CAREY*

Mr. William Carey

He went this way once, and for this we are grateful. We cannot have him again, and for this we grieve. But in our grief, let us recall the radiant truth that Mr. Carey let fall into the ocean of time countless quiet drops of counsel, of kindness, of sacrifice, of understanding—drops that will grow to waves in that ocean and permeate the lives of countless people as the mystifying process of human transmittal goes on.

We are all so much better because he touched our lives! May he, indeed, rest in the eternal peace he has earned!

The pressure of coaching is now over for Mr. Cordts but his familiar face can still be seen in the physical education department at Johnson City High School. A native of Lyons, Joseph Cordts graduated from high school in 1928 and went on to Cortland State when he decided he wanted to be a high school coach. He graduated in 1931 but due to the depression, he could find no opening for a physical education instructor. Thus, he worked his way through Ithaca College for his bachelor's degree. He joined the J.C. faculty in 1946 and became head coach for the varsity basketball team in 1950. Through 14 years of successes and disappointments, Mr. Cordts has coached our basketball team to several winning seasons. The students will not forget his good games or blame him for the few disappointments our teams have suffered during those years. We students at J.C.H.S. would like to honor him for his fine job.

What's in your future?

Whatever your goal in life, it's wise to back up your future plans with a steadily increasing savings account. Money in the bank is one of the surest roads to security we know . . . it will help you achieve what you want for your future.

There is no final stage in education; it is an unending search for knowledge and the continuing development of wisdom. Through them we can recognize and develop opportunities to the fullest extent. Together they are the formula for individual and world progress.

IBM[®]

graduation ----

. . .the end. . .or the beginning?

YES. . .AND NO. . .

Graduation is the end of an era in your life.

It's also the beginning of a new era for you. . .a period when the responsibilities of adulthood suddenly appear.

"Bank standing" is something that will help you meet those responsibilities head-on. By doing business with a bank through use of checking, savings, loan or other facilities, you establish the financial reputation and maturity that today's successful person needs.

Throughout your life. . .the only bank you'll ever need is First-City.
